John Andrew Baynes, Ph.D., CFA

Senior Economist, Freshwater Prestige Economics
(917) 991-9856 · John.Baynes@FreshwaterPrestige.com

PROFILE

Dr. Baynes is a Senior Economist with Freshwater Prestige Economics, where he provides economic and econometric analysis for antitrust matters. He combines academic, market, and executive experience. He holds a Ph.D. in Economics from the University of Rochester with research in macroeconomics, applied time series, and the theory of the firm; five years as a tenure-track Assistant Professor of Economics and Finance at Canisius College, teaching business analytics, econometrics, forecasting, and statistics; seven years trading equity-based ETFs at Goldman Sachs; and service as Chief Financial Officer and advisor to a venture-backed sports-technology start-up. He has been a CFA charterholder since 2005.
